

# TDC Meeting 06 - Headline Report

8<sup>th</sup> November 2017

## OPEN SESSION

### 1. Welcome

The Chair began the sixth Trading Disputes Committee (TDC) meeting by welcoming its newest member, Kirstie King, who joined the TDC from Water2Business.

### 2. Trading Dispute Observations

The Market Operator (MOSL) presented a summary of the Trading Dispute that occurred between Severn Trent Wholesale (STW) and Severn Trent Retail (STR) and its subsequent resolution. A number of points were discussed, including:

- The process through which STR had identified the issue and developed a rectification plan with STW;
- The overall efficiency and timeliness of the rectification;
- The level of information provision to the TDC;
- The role of the TDC in expediting the dispute process if it is deemed to be business critical; and
- The level of communication between MOSL, the TDC and parties affected by the Trading Dispute.

The TDC:

- **NOTED** the presentation.

### 3. Wider Market Activities

MOSL presented the activities that have been witnessed in the market since 1<sup>st</sup> April 2017. A number of points were discussed by committee members, including:

- The appropriateness of the materiality threshold above which Trading Parties can request Dispute Settlement Runs;
- The appropriateness of the cost of Dispute Settlement Runs; and
- Whether there is any additional validation that can be carried out by MOSL to ensure that overcharging does not occur in the market.

The TDC:

- **NOTED** the presentation.

### 4. Any Other Business

- The next scheduled TDC meeting is 6<sup>th</sup> December 2017 and it was noted that the TDC secretary will inform members of whether a meeting is necessary, depending on whether any disputes have been raised and distribute any relevant papers at least 5 Working Days prior to the meeting.

- MOSL stated that a list of proposed meeting dates for 2018 would be circulated with the TDC and requested members confirm their availability for the proposed dates.

There was no further business and the Chair closed the meeting.
