

TDC Meeting 02 - Headline Report

12th July 2017

OPEN SESSION

1. Updates on Actions

MOSL presented updates on 6 actions that were raised by members at the first Trading Disputes Committee (TDC) meeting held on 7th June 2017. Actions raised were related to:

- Additions being made to the TDC Terms of Reference (ToR) to broaden the Conflict of Interest statement;
- Inclusion of a Code of Conduct statement on MOSL's website with additional clarification with regards to TDC contact; and
- Investigation of the market codes with respect to Trading Parties delaying payment of outstanding monies, the extent of TDC remit over historical data, the process of arbitration invocation and the obligation of new Retailers (of Supply Points) to highlight Data Items that were incorrect prior to transfer.

The TDC:

- **NOTED** the updates to the actions points previously raised;
- **OPENED** an action for MOSL to include a statement on its website on the TDC page, clarifying that while Trading Disputes must be for periods from market Go-Live, Data Items which refer to periods before Go-Live that also affect primary charges after Go-Live are within the scope and remit of the TDC;
- **OPENED** an action for MOSL to draft a statement regarding Retail Exit, specifically providing clarification on whether the scope of the TDC includes or excludes situations where a Supply Point (with its entire history) is transferred from an exiting Retailer to another Trading Party; and
- **REQUESTED** that the distinction between 'query' and 'dispute' be considered and reviewed if appropriate at future TDC meetings, particularly if payments are withheld by Retailers.

2. Any Other Business

- The TDC discussed the logistics of the committee information. It was noted that a positive indication of agreement would be welcome, but that no comments sent in would indicate agreement with the contents of the reports; and
- The next scheduled TDC meeting is 16th August 2017 and it was noted that the TDC secretary will inform members of whether a meeting is necessary, depending on whether any disputes have been raised and distribute any relevant papers at least 5 Working Days prior to the meeting.

There was no further business and the Chair closed the meeting.
